Notes:

1. Use this form if you are a private individual (or a business or legal entity which is not registrable for VAT in the UK), to notify Customs and Excise that you have purchased a new means of transport (NMT) in another EC member state and brought it to the UK.
2. If you are a VAT registered person bringing a new means of transport to the UK for the purposes of your business, you should use Form VAT 414.
3. The following are Member States of the EC: Austria, Belgium, Denmark, Finland, France (including Monaco), Germany, Greece, Ireland, Italy, Luxembourg, Netherlands, Portugal (including the Azores and Madeira), Spain (including the Balearic Islands), Sweden and the UK (including the Isle of Man).
Please note the Channel Islands are not part of the EC for VAT purposes.
4. If you are not the registered keeper of the vehicle please state the capacity in which you act.
5. You can find out more about new means of transport in Notice 728 *Motor vehicles, boats, aircraft: intra-EC movements by persons not registrable for VAT*. If you do not have a copy please contact your nearest VAT Business Advice Centre. You will find their address in the phone book under "Customs".
