- d) Box 5 contains all geographical indications. Protected designation of origin (PDO) and protected geographical indication (PGI) means the official indications following the regulations (EEC) No 2081/92,(EC) No 1107/96 and (EEC) No 2400/96. Geographical designations for spirit drinks means the official designations following the regulation (EEC) No 1576/89. Individual producers as well as groups and their representatives are entitled to make an application.
- e) Registration and specifications are required when an application is made: for protected designation of origin and protected geographical indication.

II. WHAT DOES THE APPLICATION FOR ACTION HAVE TO CONTAIN?

(Art. 5(4): “Where the applicant is the holder of a Community trademark, a Community design, a Community plant variety right or a designation of origin or geographical indication protected by the Community, an application may, in addition to requesting action by the customs authorities of the Member State in which it is lodged, request action by the customs authorities of one or more other Member States.”).

An application for action can be used by the right holder, free of charge, either as a preventive measure or where he has reason to think that his intellectual property right or rights have been or are likely to be infringed. The application must contain all the information needed to make the goods in question readily recognisable by the customs authorities, and in particular:

- an accurate and detailed technical description of the goods,
- any specific information the right holder may have concerning the type or pattern of fraud,
- the name and address of the contact person appointed by the right holder,
- the undertaking required of the applicant by Article 6 of the basic Regulation and proof that the applicant holds the right for the goods in question.

The application for action can be submitted electronically if an electronic data exchange system is available. In all other cases, the form is to be completed by mechanical means or in legible handwriting and must not contain erasures or overwriting.

- **The right holders must imperatively return the proof of receipt of the notification which was addressed to them by the Customs service, according to Articles 4 (ex-officio) and 9. It must be done immediately after having received this notification. The legal deadlines (3 working days – 10 working days) start from the moment of receipt of the notification. It is imperative that the right holder, as soon as he is contacted by the Customs authorities, confirms immediately the receipt of the notification.**
- **Within the meaning of the basic regulation “working day” (ref. to regulation 1182/71) is considered every day other **than public holidays, Saturdays and Sundays**. Moreover, the calculation of working days as included in Articles 4 and 13, has to be carried out taking into account the fact that the day of receipt of the notification is not included. The deadlines to be taken into account within the meaning of the basic regulation commence therefore as from the day **after** the receipt of the notification.**
