21. Remarks:

(1) Place a cross in the appropriate box

NOTES

A. General notes

1. The form must be completed legibly and indelibly, preferably by typewriter. It shall not contain any erasures or overwritten words. Corrections should be made by crossing out the wrong entries and if necessary adding the correct particulars. Corrections must be initialled by the person completing the form and endorsed by the customs office which completes box 16.
2. Boxes 1 to 15 must be completed by the holder.

B. Special notes referring to box numbers

1. Give the name, address and the name of the Member State. In the case of a legal person, the name of the person responsible should also be given.
3. Give the full name, address and the name of the Member State.
6. Give the number and date of the authorisation and the name of the customs authorities which issued it.
10. Give an exact description of the compensating products using the nominal commercial description or the tariff description.
11. Give the tariff heading or subheading of the compensating products as shown on the authorisation.
12. Give an exact description of the goods using the nominal commercial description or the tariff description. The description must correspond with that given in the export document. If the goods are subject to the inward processing procedure enter 'IP goods' and give the number of the information sheet INF 1 if used.
14. Give the net quantity expressed in units of the metric system (kg, litres, m², etc).
15. Give the statistical value at the time the export declaration was lodged, preceded by one of the following currency abbreviations:
 - EUR for euro
 - SEK for Swedish krone
 - DKK for Danish krone
 - GBP for pound sterling
